Spitfire Way, Solent Airport
Hampshire PO13 9FY
United Kingdom

Ref: Results of sample evaluation

The evaluation results for the samples you submitted are in accordance with Hartzell shot peening procedures in Manual 202A

Your sample is identified as “**approved**”, and your shop will be added to our list of approved sources performing shot peening procedures on Aluminum Hubs Blade Airfoils and Blade Balance Holes. This approval is non-transferable and is good for not more than three years from January 31, 2019.

<u>SAMPLE</u>	<u>S/N</u>	<u>RMA No.</u>	<u>PERFORMED BY</u>	<u>COMMENTS</u>
